## To Whom it May Concern

INTERNATIONAL PAINT INSPECTORS Ltd company is well known from us company providing different type of service in Protective and Marine segment. We closely cooperate as a company in last 6 year , over 60 different project like cargo tank refurbishment , standard dry docks ,renewal of cargo hold paint system, join attendance in Fouling release paint system were done in proper way without any deviation of common standards.

Given their technical expertise ,attention to detail and exemplary work ethic , I have no doubt that will find Thanassis Matzoros himself as invaluable partner in paint industry.

Sincerely
